

Colors Worksheets

Learn to identify and name colors • Ages 3–4

For Parents

- Start with primary colors: red, blue, yellow.
- Point out colors throughout the day during routines.
- Sort objects by color: red toys in one pile, blue in another.
- Mix paint colors to discover secondary colors.
- Play "I Spy" with colors around the house.

Red

Find 3 things that are red. Draw or write them:
