

# Number Recognition Worksheets

Identify and write numbers 0–20 • Ages 3–5

## For Parents

- Start with numbers 0–5, then 6–10, then 11–20.
- Say the number name while pointing to it.
- Count objects and match them to the written numeral.
- Practice tracing numbers with a pencil.
- Play number hunts around the house.

## Numbers 0–10

Trace and write each number

0 1 2 3 4 5 6 7 8 9 10
