

# Story Starters Worksheets

Inspire creative writing and storytelling • Ages 5–6

---

## For Parents

- Read each story starter aloud and let your child finish the story.
- They can dictate to you if writing is difficult — you can write it together.
- Ask "what happened next?" to encourage more details.
- Drawing a picture first can help organize their ideas.
- Celebrate creativity — there is no wrong answer!

## Story 1: Adventure

---

One day, a little cat found a golden key. It opened...
